

## **Adaptive Sports Internships**

Sun Valley Adaptive Sports  
Sun Valley, ID

Year Round Internships

Sun Valley Adaptive Sports is looking for Interns to begin immediately

### **Therapeutic Internship Opportunities**

Come join the SVAS team! We accept interns all year round. Sun Valley Adaptive Sports (SVAS) is a non profit organization set in the heart of the beautiful Sun Valley, Idaho. SVAS has many opportunities to explore the great outdoors. We follow the ATRA standards of practice and NCTRC internship guidelines. Our Internship supervisors are certified clinical supervisors from APTA. We are also looking for marketing and communications, outdoor recreation, and sociology interns. Great stipends available!

#### **SUMMER**

- Plan and participate in a specialized summer day camp designed specifically for children with disabilities operating five days a week for 8 weeks. Activities include: indoor rock climbing, swimming, hiking, fishing, biking, and much more.
- Plan and participate in "Get out and Go!" an adult outing program and Special Olympics swim team.
- Plan and participate in "Higher Ground" a program for injured servicemembers that teaches adaptive summer sports such as: waterskiing, kayaking, river rafting, mountain biking, hand cycling, and fly fishing.
- Learn weekly progress notes, assessments and evaluations using theory based practice.

#### **FALL**

- Plan and participate in "Higher Ground" Fly fishing camp.
- Prepare for winter snowsports programming.
- Plan and participate in "Dreams Come True" an initiative of the Higher Program for individual servicemembers.
- Plan and assist in winter volunteer training.
- Plan and participate in "Get out and Go!" an adult outing program and Special Olympics bowling team.
- Plan and participate "BLAST" an after school recreation program for students with disabilities.
- Learn assessments, progress notes, and evaluations using theory based practice.

#### **WINTER**

- Become adaptive ski and snowboard instructor to work at Sun Valley Resort.
- Teach one-on-one lessons with various children, teens, adults and servicemembers with disabilities.
- Assist in the planning process of winter fundraiser.
- Plan and participate in two "Higher Ground" events developed to reintegrate servicemembers that were injured in the war to sports and recreation with important rehabilitative opportunities.

- Learn assessments, progress notes, and evaluations using theory based practice.

#### SPRING

- Plan and participate in “Dreams Come True” sport program for individual servicemembers.
- Plan and assist in volunteer training.
- Plan and participate in “Get out and Go” adult socialization group and Special Olympics bowling team.
- Plan and participate “BLAST” after school recreation program for children with disabilities.
- Learn assessments, progress notes, and evaluations using theory based practice.
